

Statement of Mark W. Everson  
November 27, 2007

I am resigning my position for personal and family reasons, and deeply regret it is impossible for me to continue in a job so recently undertaken. I leave with extraordinary admiration for the American Red Cross, the service its men and women provide our nation, and for the humanitarian work of the Red Cross/Red Crescent movement across the world.

A handwritten signature in black ink, appearing to read "Mark W. Everson". The signature is fluid and cursive, with the first name "Mark" being the most prominent.
