

## 2020 DISASTER RESPONSE

Coping with relentless disasters amid the pandemic, families spent **more nights in emergency lodging** this year than any other over the past decade.

**Emergency Lodging Stays**

During back-to-back hurricanes, wildfires and other disasters, American Red Cross volunteers:

Served more than **3.6 million meals and snacks** with partners

Provided nearly **187,900 individual care contacts** to support health, mental health, spiritual care and disability needs

Distributed more than **596,300 relief items** with partners

Distributed emergency financial assistance to more than **282,500 individuals**
