In the fall of 2017, California was hit by devastating wildfires. Join us in honoring local first responders who assisted in fighting these catastrophic events, and find out who will be given the prestigious Jackson Rancheria Disaster Relief Award for giving selflessly to assist the Red Cross in their relief efforts.

The American Red Cross is best-known for responding to disasters around the country whenever the need arises. Our fleet of Emergency Response Vehicles, used to bring food and supplies into devastated neighborhoods, is aging.

This year's Drive Fore Disaster Relief golf tournament will raise funds to purchase a next-generation Emergency Response Vehicle for the Gold Country Region and strengthen our ability to deliver hope and relief to those who have lost everything.
