

# Don't Gamble on Your Family's Safety

American Red Cross

## 2 in 5

adults think they're more likely to win the lottery than lose their home in a fire

Odds of winning the lottery  
**1 in millions**

Odds of dying from fire or smoke  
**1 in 1,500**

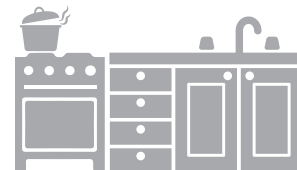

Working smoke alarms can cut the risk of dying in a fire **by half.**

Nearly **50%** of us have disconnected an alarm or removed its batteries.

Cooking is the leading cause of home fires, and sadly, **1 in 10** people aren't prepared with alarms due to their cost.
