The Red Cross is here to help prevent and alleviate human suffering in the face of emergencies. Across all the ways we provide help and hope to others - from bringing disaster relief, providing lifesaving blood and training in lifesaving skills, to reaching across borders to reconnect families, and supporting military families - the American Red Cross makes a significant impact. Our network of generous donors, volunteers and employees share a mission of preventing and relieving suffering, here and around the world. We do this every day because the Red Cross is needed - every day.

We appreciate your support of Dueling for Disaster Relief - the funds raised stay local to help with disaster relief.
