

# Impact Report

Silicon Valley Chapter  
July 1, 2020 - June 30, 2021

**American Red Cross**  
Silicon Valley

"Volunteer contributions have been absolutely critical to the success of the Red Cross mission, especially as we navigated the unexpected pivot that 2020 demanded."

Jennifer Adrio, CEO, Northern California Coastal Region

The Silicon Valley Chapter serves people facing emergencies every day, and embracing the diversity of our staff, volunteers, and people we serve is vital to this work. Powered by more than 1,500 dedicated volunteers and generous donors like you, over the past fiscal year we have:

Helped 222 families through 116 disaster responses, the majority of these home fires.

Collected 17,392 units of lifesaving blood from 483 local blood drives.

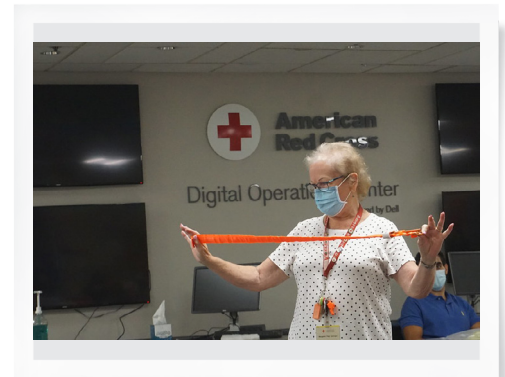

Provided 890 critical community services to members of the military, veterans and their families.

Trained 7,124 people in First Aid/CPR/AED and 1,738 people in aquatics and water safety.

Opened 8 cases and provided 15 case activities to help families separated by war and humanitarian crisis.

A Red Cross instructor demonstrates how to use a tourniquet during a first aid class for nursing students at the San Jose office, as part of an Academic Service Learning curriculum.

Thank you for your generous support, which makes our mission—alleviating human suffering in the face of emergencies—possible.

*Thank you!*
