

# Impact Report

Silicon Valley Chapter  
July 1, 2022 – June 30, 2023

"Reflecting on the fiscal year, I'm filled with pride as I see how our chapter's efforts have brought hope and relief to those in need. Thank you for being the force behind our mission's success."

Ken Toren, CEO, Silicon Valley Chapter

The Silicon Valley Chapter serves people facing emergencies every day, and embracing the diversity of our staff, volunteers, and the people we serve is vital to this work. Powered by 1,633 dedicated volunteers and generous donors like you, over the last fiscal year we have:

Responded to 100 disaster events, the majority of these home fires, and opened 174 disaster cases to help those affected to recover.

Collected 16,449 units of lifesaving blood from 531 local blood drives.

Provided 691 critical community services to members of the military, veterans and their families.

Trained 14,613 people in First Aid/CPR/AED and 2,256 people in aquatics and water safety.

Educated 374 people about helping families separated by war and humanitarian crisis through our Restoring Family Links program.

Disaster Action Team  
Duty Officer, Nik  
Rochnik, answers the  
call to help to support  
disaster events  
throughout Santa  
Clara County and  
beyond.

Thank you for your generous support, which makes our mission—alleviating human suffering in the face of emergencies—possible.

*Thank you!*
