

Impact Report

Silicon Valley Chapter
July 1, 2023 – June 30, 2024

"Your exceptional service and commitment have driven our success this year. Every volunteer, donor and staff member has played a crucial role in fulfilling our mission to serve those in need."

Ken Toren, CEO, Silicon Valley Chapter

The Silicon Valley Chapter serves people facing emergencies every day, and embracing the diversity of our staff, volunteers, and the people we serve is vital to this work. Powered by 1,491 dedicated volunteers and generous donors like you, over the last fiscal year we have:

Responded to 87 disaster events, the majority of these home fires, and opened 176 disaster cases to help those affected to recover.

Collected 20,874 units of lifesaving blood from 555 local blood drives.

Provided 435 critical community services to members of the military, veterans and their families.

Trained 16,147 people in First Aid/CPR/AED and 2,331 people in aquatics and water safety.

Engaged 929 participants through our Restoring Family Links, Youth Action Campaign and International Humanitarian Law program.

Born with half a heart,
Sam survived
multiple surgeries
with the help of blood
transfusions. Now 13,
his family hosts
annual Red Cross
blood drives in
gratitude.

Thank you for your generous support, which makes our mission—alleviating human suffering in the face of emergencies—possible.

Thank you!
