"This year's accomplishments reflect the dedication and compassion of our volunteers, donors and partners. Thank you for helping us bring hope to those in need."

Reagan Lund, Executive Director

The Silicon Valley Chapter serves people facing emergencies every day, and embracing the diversity of our staff, volunteers and people we serve is vital to this work. Powered by 980 dedicated volunteers and generous donors like you, over the last fiscal year we have:

Responded to 134 disasters, primarily home fires, and helped make 636 homes safer through preparedness and resilience programs.

Collected 24,618 units of lifesaving blood for patients at hospitals and cancer treatment centers.

Opened 85 emergency cases for military members, veterans and their families and engaged 2,415 participants in military health and wellness programs.

Delivered first aid, CPR, AED, water safety and caregiving training to more than 21,125 residents.

Engaged 1,131 participants through our Restoring Family Links course, which helps reconnect loved ones separated by crises and emergencies.

From disaster drills to real emergencies, Red Cross volunteers opened five shelters in one week to support affected communities.

Thank you for helping make our mission to alleviate human suffering during emergencies a reality.
