

**American
Red Cross**

Young Patrons
Metro New York North

The next generation of
American Red Cross
philanthropic leaders

Young Patrons Membership

Networking

Network with likeminded young professionals at themed happy hours, and mingle with one of the most prominent Board of Directors in the country.

Volunteerism

Make a difference by volunteering with the world's most recognized charity. Our signature volunteer day includes participation in our "Sound the Alarm" campaign, where we'll be installing free smoke alarms in at-risk neighborhoods as a group. This campaign has saved over 600 lives and counting!

Career Development

Gain the opportunity to hold a leadership position on our Steering Committee, and participate in panels featuring some of Greenwich and Westchester's most influential corporate philanthropists and community leaders.

Philanthropy: \$500 Give/Get

Become a financial donor to the Red Cross as you deepen your engagement with our mission and the people we serve. This can be reached cumulatively over the year and will include the purchase of tickets to YP events by you or those you bring. It can be fully sponsored or supplemented by your company.

"I'm proud to be leading this group of ambassadors for the Red Cross mission, and to inspire the next generation of philanthropy."
- Prem Itharat
Chair, Metro NY North Young Patrons
