

Young Patrons

The Greater New York Young Patrons contributes to the mission of American Red Cross to alleviate human suffering in the face of emergencies. This group of rising professionals will have the unique opportunity to network with influential corporate philanthropists and community leaders along with access to leadership development.

- **Networking Activities** with fellow philanthropic young professionals and career development opportunities.
- **Volunteer** for the world's most recognized charity.
- **Leadership** opportunities in a range of areas including: Executive Committee positions, event planning committees, membership committees and third party fundraising.

Companies Represented:
