

American Red Cross
West Virginia Region

Service to the Armed Forces Veterans Service Initiative

The American Red Cross...around the clock...around the world – helping military families.

Today, as always, the American Red Cross continues to show our appreciation for the dedicated service and patriotic sacrifices of America's military men and women and their families by being there to support them wherever they are and whenever they need us. As a service member, you and your family have access to many valuable Red Cross services. The American Red Cross West Virginia Region has also created the Veterans Service Initiative, the first of its kind in the country.

Veterans Service Officers are available to:

- Advocate for Veterans throughout the benefits claim process
- Provide assistance with employment such as resumes, job searches and referrals
- Ensure that all resources are provided to veterans who are homeless or at risk
- All VSOs are veterans who care and understand
- Reconnection Workshops offered by licensed counselors
