# Experience the Mission!

## Connect with us. Learn more. Get Involved.

Volunteers carry out 90% of the humanitarian work of the American Red Cross. From helping people displaced by disasters, providing care and comfort to U.S. service members and veterans, and supporting area blood drive operations, volunteers make the Red Cross mission possible in these and many other ways. Join us for an opportunity to learn how you can be a part of the solution to some extraordinary challenges! Refreshments will be provided.
