

# Fiscal Year 2022 Impact Report

## July 1, 2021 - June 30, 2022

Hawaii Red Cross volunteers teach fire safety during Sound the Alarm.

This year we were very happy to resume our Sound the Alarm Campaign after a two-year hiatus, installing free smoke alarms across Hawaii. With pandemic restrictions easing, we made homes safer at places like the Marco Polo Condominium on Oahu and the Anahola Homestead on Kauai. Our Anahola project was a first-of-its-kind partnership with DHHL. Fiscal Year 2022 was a relatively quiet year in terms of larger disasters. A Hawaii Island brushfire and Kona Low storm were the most significant events that occurred. Yet we still responded to a higher than average number of everyday incidents – almost 100, of which 87 were home fires.

Responded to **97 disasters**

Assisted **459 individuals**

Made **311 homes safer** from fires

Supported by **1,300 active volunteers**

Educated **1,321 people** about disaster preparedness

Provided **8,278 Hero Care Network services**

Distributed **11,958 comfort & care items** at military events

Trained **3,954 people** in water safety/aquatics

Trained **22,016 people** in first aid/CPR/AED
