

Austin Ellis

Austin Ellis is currently serving as an Auto Sales Supervisor at OneMain Financial. In addition to this role, he leads OMF's Volunteer Council, spearheading efforts to coordinate volunteer activities, outreach initiatives, and grant proposals at the Evansville Corporate site. Through this role, Austin engages with multiple non-profit organizations, directing the company's resources towards groups making a tangible difference in the local community.

His connection to the Red Cross started in middle school when his mother worked as a Collection Supervisor. Throughout high school, Austin volunteered at school blood drives, checking in donors, assisting those who felt faint, and passing out snacks. Professionally, he worked to revive on-site drives at the OneMain location in downtown after COVID-19 restrictions, resulting in three or four successful drives each year.

Outside of his professional commitments, Austin is deeply involved in promoting diversity and inclusion. He serves as the Secretary for River City Pride; this group contributes to organizing the annual Pride festival in downtown Evansville and advocates for inclusivity across the tristate area through partnerships with other non-profits.

Austin has a passion for community engagement and a commitment to fostering a more inclusive society. He is dedicated to making a positive impact both within his workplace and in the broader local community.
