

Bev Fields is an honors graduate of Texas State University near Austin, Texas with a BA in International Studies. She is employed at KPMG, LLP a big-four, global accounting firm with 227,000 employees. In her role as Director, Integrated Operations Network, she oversees internal teams in the execution of large-scale facility operations, conference services and administration across five offices located in Illinois, Michigan and Wisconsin.

Bev serves as a regional leader for the firm's crisis management, business continuity and life/safety/security programs. She has been a long-time client of the American Red Cross for the training of local office teams in first aid, CPR and AED skills.

As a new board member in 2021, Bev is looking forward to contributing where her skills and enthusiasm can be used to support the mission.
