

Darren Spainhoward

Darren Spainhoward is a commercial banking leader with extensive experience in relationship management, strategic lending, and team development. He is passionate about serving his community and has previously served on the boards of United Way, Youth First, and Ark Crisis Child Care Center. Darren values integrity, collaboration, and service, and is honored to support the mission of the American Red Cross through board service. He is committed to helping strengthen the organization's impact and advancing its humanitarian mission.
