

DR. DENNIS BECK

Brief Bio Statement

Dr. Dennis Beck is a board-certified orthopedic surgeon who completed his residency and trauma fellowship at the University of Louisville in 2003 after graduating from the Indiana University School of Medicine in 1997. He had practiced with Orthopaedic Associates in Evansville exclusively during his professional career and was the Medical Director of orthopedic trauma for the first 10 years of being in Evansville at Deaconess Health System since its initial trauma verification in 2003-4. His entire practice was devoted to trauma care during this time, and he was also honored to participate in the Distinguished Visiting Scholar Program with the Orthopedic Trauma Association and assist in the care of injured soldiers in Landstuhl, Germany.

After moving to a general orthopedic practice, and working in Henderson, Kentucky at Methodist Hospital, and also at Deaconess Hospital, he became engaged in leadership roles as the Chief of Staff and Chair of the Department of Orthopedics and Physical Medicine. He also served as President of Orthopaedic Associates from 2016-2020. Now, he is serving as the Chief of Medical Staff of Deaconess Henderson Hospital and Associate Chief Medical Director of the Deaconess Health System. He has served as the Interim Chief Administrative Officer at Deaconess Henderson Hospital.
