

Heather Koiro, Walker Information

Heather Koiro, is Vice President, Technology Services at Walker, an experience management (XM) firm, a member of the American Red Cross – Indiana Board of Directors, and Secretary of the Perry Meridian H.S. Parent Teacher Student Association.

Heather has held various positions in her 20+ years at Walker. In her current role as Vice President, Technology Services, Heather leads a team of 13 project management staff focused on delivering experience management (XM) services.

Heather has been a volunteer with the Indiana Region of the American Red Cross since 2005. Her initial introduction to the American Red Cross was as a board intern through the UWCi Executive Women's Leadership program. Following the completion of that program, Heather joined the Advisory Board and maintained that position for several years. For the last five years, Heather has served as a Board Member and spent that time leading the Mission Delivery Committee to help the American Red Cross alleviate human suffering and support resilient communities.
