

Kymberly Thomas

Kymberly Thomas, CPA has been the Chief Financial Officer for Koch Air, LLC for the past 10 years. Originally from Henderson, Kentucky, she relocated to Evansville in 2021. Kymberly holds a bachelor's degree in accounting from the University of Southern Indiana. She has held various accounting roles over the past years in both public and industry.

Kymberly Thomas was a charter member of Partnership of Women and served as past chair and is still an active member. She also served in the past as a member of the University of Southern Indiana Accounting Circle. She actively volunteers with St. Vincent de Paul and supports various other charitable organizations.

Outside of work, Kymberly and her husband enjoy traveling, experiencing the arts and engaging in service work.
