

Lois Morgan DNP, RN, NEA-BC, Vice President and CNO, Deaconess Gibson Hospital

As Vice President and Chief Nursing Officer for Deaconess Gibson Hospital, Lois has direct responsibility for all clinical operations. She oversees patient care, quality, process improvement, clinical policies, and incorporates and pursues new clinical growth opportunities that will benefit and meet the needs of the community.

Lois joined the Southwest Indiana Chapter of the American Red Cross Board in 2020 and is also a member of the Biomedical Committee. She believes in the humanitarian support and mission of the ARC and it's five lines of service.
