

## **Melissa Roberts**

Melissa Roberts serves as the vice president of engagement for the CEOs of Indiana Corporate Partnership (CICP). Roberts leads engagement and outreach activities for CICP's board of directors. She directs project management of external consultants and designs and executes programming for internal and external audiences. Roberts originally joined the organization in 2011 with Energy Systems Network (ESN), the former energy technology initiative of CICP, and served in a variety of roles, including communications, marketing, operations and human resources. Prior to joining ESN, she spent six years with Community Health Network as a healthcare recruiter and HR consultant.

Roberts has served as Trustee and Executive Committee member for the Children's Museum of Indianapolis since 2021.

Roberts earned a B.A. in Psychology and Spanish from Vanderbilt University. She holds a master's degree in management from Indiana Wesleyan University.
