

Nathan J. Spitz

Nate Spitz has been in the Security industry for over 18 years where he is currently employed at Allegion PLC, a global leader in security products and solutions. Nate is the General Manager for Allegion's Door Control Business Unit and prior to that he served as the General Manager for Allegion's Strategic Business Unit in Canada and LATAM. He has also spent 7 years with Ingersoll Rand Security Technologies before Allegion spun off in 2013.

Over his career he has held multiple leadership roles within the company and has business certificates from Massachusetts Institute of Technology as well as Harvard Business School. He attained a master's degree from Notre Dame's Mendoza Business School and his Undergraduate Degree at Purdue University.

In addition to serving on the Board of Governors, Nate also serves on Marian University's Saint Joseph's College Board of Visitors and is a volunteer for Habitat for Humanity.

Nate and his wife Kristen reside in Carmel, Indiana with their daughter Anna Grace. When he is not working, his interests include being outdoors, mountain biking, road biking, golfing, traveling, and spending time with family.
