

EMPLOYMENT

Workshop Name: Ask a Recruiter about Breaking into Sectors

Workshop summary:

Do you have questions you wish you could ask a hiring manager or a recruiter directly? Here is your chance. This breakout session offers you the opportunity to have a real-time Q&A session with four corporate recruiting experts from leading national companies. Our panel of recruiters will take your questions and offer helpful advice to make your career search more effective.

Bring your questions (here are a few to get the ball rolling)

- How do I get noticed based on my experience and not just education?
- How soon should I follow up with a recruiter after an interview?
- Do Cover Letters actually get read?
- Can I negotiate for more money?

Speaker Bio:

Noël McCall
Executive Director
Patriots Path

Drawing from over 30 years of experience as a successful entrepreneur, executive recruiter, and civic leader in the Charlotte community, Noël McCall brings a wealth of knowledge and real-world support to veterans as they navigate the process of finding employment as civilians. A graduate of Davidson College with a BA in Political Science, Noël began her career recruiting managerial talent for an international firm. In 1989, she founded All Type Graphics & Design, Inc., a Charlotte-based graphic arts and printing company. During her 15 years as co-owner of the company, she also served as Vice President Human Resources and Chief Financial Officer, overseeing all of the company's production, financial, marketing, and human resource operations.

After the successful sale of her company in 2004, Noël worked briefly in higher education as the Director of Placement for a local college before contributing as a Partner and Consultant with an international executive search and leadership development firm headquartered in Charlotte. She supported Northeastern University-Charlotte's expansion as Vice President, Corporate & Clinical Partnerships and currently serves as Executive Director for Patriots Path having founded the organization in July 2013.
