

# Volunteer and Make a Difference in People's Lives!

**American  
Red Cross**

Ninety percent of the American Red Cross workforce are volunteers and our work is only possible because of people like you. Discover the role that's right for you today.

- **Blood Drives and Blood Delivery:** Help staff the registration/sign-in desk, monitor the hospitality/snack area and deliver blood to our processing centers and community hospitals.
- **Disaster Preparedness and Response:** Help families and communities prepare for emergencies, from home fires to natural disasters, before they happen. Volunteers provide care and comfort, and access to necessities like food, clothing, and shelter. In addition, our recovery services help people get back to their lives as quickly as possible.
- **Serving our Armed Forces:** Provide 24-hour communications and resource support to members, veterans and families at home, in military hospitals, and military installations around the world.
- **More Opportunities:** Explore a wide range of positions based on your interests and time commitment — from Training Services and teaching community classes like CPR, First Aid and water safety, to Youth Education, Community Outreach, to supporting Fundraising and Special Events.

**Communities across the country count on the Red Cross every day and we can't do it without you.**
