

Our Impact in 2024

Cascades Region

January 1st - December 31st, 2024

"A big thank you to all the volunteers and donors who supported us in 2024. From blood shortages to wildfires, hurricanes, and tornadoes, our team rose to every challenge."

Priscilla Fuentes, Cascades Region Chief Executive Officer

The Cascades region serves people facing emergencies every day, and embracing the diversity of our staff, volunteers and people we serve is vital to this work. Powered by more than 2,500 dedicated volunteers and generous donors like you, over the year we have:

Provided relief and recover support, including financial assistance, to 692 households impacted by disasters and assisted 2,339 individuals.

In Oregon and Washington, we delivered more than 251,475 units of blood from more than 8,630 blood drives to 60+ area hospitals and cancer treatment centers.

Provided services to military members, veterans and their families 11 times a day.

Trained more than 40,000 people in First Aid, CPR & AED, water safety, babysitting and other lifesaving skills.

As part of the largest humanitarian organization in the world, we also helped provide relief and save lives around the world.

Red Cross volunteer Tylene Thomsen sits alongside Landon O'Dell, a young boy evacuated from his home in Central Oregon due to wildfires. A moment of joy in the midst of uncertainty.

Thank you for your generous support, which makes our mission—alleviating human suffering in the face of emergencies—possible.

Thank you!
